# PUBLIC INPUT SURVEY

**HELP CANTON PLAN THE FUTURE OF ITS OPEN SPACE AND RECREATION AREAS!**

---

---

The Town of Canton is developing an update to its Open Space and Recreation Plan and creating a Trails Master Plan. This public survey will help the Town identify priorities and outline strategies for achieving those priorities, and to serve as a tool for pursuing state and federal monies for parks, open space and trail projects. **The survey only takes about 5 minutes to complete, and can be anonymous.** Depending on the response rate, interim results of this survey will be presented at a Public Meeting on November 7th.
