

PUBLIC NOTICE

TOWN OF CANTON

NEW REGULATIONS FOR PARKING ON GREENLODGE STREET

At a public meeting held on March 1, 2011, the Board of Selectmen approved new regulations which enhanced language for Greenlodge Parking signage to promote public safety to all that utilize that area for parking. Signs were installed during the spring of 2011. With the winter quickly approaching, it is important that all Greenlodge Street parking participants be aware of the new regulations. Enhanced signage language will be as follows:

1. On the right side of Greenlodge St. (driving towards Westwood Station) **“Town of Canton Parking – Voucher required EXCEPT from December 1st through March 1st, when parking is PROHIBITED on this side”.**
2. On the left side of Greenlodge Street (driving towards Westwood Station), **“Town of Canton Parking Voucher Required”.**
3. All Handicapped parking signs and spaces have been moved to the left side of the street, since no parking is allowed on the right side from 12/1 to 3/1.

The Canton Police Department will be patrolling the area to ensure compliance. Should you have any questions regarding these changes, please contact the Department of Public Works @ 781-821-5023.

Thank you
Canton Board of Selectmen
