Canton, MA 02021

*BRICK \ˈbriːk\ n: (1) building block of baked clay (2) means to help the Canton Public Library build a grand entrance to our new building (3) object to forever commemorate your place in our town's history.*

*T*he Canton Public Library is a cherished institution and has faithfully served the citizens of Canton for more than 100 years. For many, the familiar brick building on the corner of Washington Street and Sherman Street holds a special place in our hearts. This is a building made up of much more than bricks and mortar; it is a place of adventure, history, mystery and research. Now for the first time in our library's history we are undergoing a major historic renovation and expansion program. You and your family can take part of this exciting project by participating in purchasing a specially engraved brick custom inscribed with a message of your choice.

*O*ur new brick walkway will become a part of the entrance to the new building addition and will be a treasured spot for the generations that follow. Celebrate your family's special memories and milestones or honor an important individual in your life with this customized brick. This is a unique gift opportunity, each brick can be specifically detailed to incorporate important dates or events, names of family members, organizations, associations, business, place of worship and in honor, memory or appreciation of someone special.

*P*lease take advantage of this opportunity and order your signature brick today. For only \$75.00, you can buy a customized engraved brick with your two line message to be incorporated in the walkways. For an additional \$15.00, a third line may be added. Or, an 8" x 8" brick may be purchased for \$150.00 which includes up to five lines of print, ideal for business identification, family names, special recognition, quotes etc... Families may choose to group bricks together for an additional charge of \$10.00 per brick. Once we have received your completed order form, a confirmation letter will be sent.

*D*on't delay, this is a very popular program and we are sure that you will want to preserve a special memory or special people through this unique opportunity. All proceeds go to the Canton Public Library, truly a building that loyalty and love of Canton has built. Become a part of the heritage.
