1. Meeting called to order

Welcome Joyce to the Council! You will be a great asset, and we are fortunate to have you join us.

2. Secretary's report, Trish Chane (7:05 -7:30)

Trish worked tirelessly on getting the denial and approval letters ready. She will talk about the spreadsheets she created to serve as a basis for future grant cycles.

4. Treasurer's report, Maxine MacPherson (7:30-7:50)

Likewise, Maxine devoted a great deal of time straightening out the funding situation, putting together a spreadsheet for the past three years. She'll clarify this process, and inform of us the amount of surplus funds for the grant cycle for the next fiscal year. She'll also discuss the January report.

5. Angie Mouradian (7:50-7:55)

Friends of the Blue Hills asked if they could modify their proposal so that the day-long event is instead spread throughout the year. The activities will be the same. Timothea informed me we need to vote as a council to approve this, and to note it in the minutes.

My term expires in April of this year, so I will be stepping down as chair. I apologize for the late notice, but I didn't realize my term was coming up, thought it wasn't until November, but when I checked with Town Hall they corrected me. Hope there is someone that will consider assuming the post. I've got a notebook of instructions I've put together that should be helpful.

5. Motion to adjourn (8:00)
