2018 - EMPLOYEE AGREEMENT

Massachusetts General Laws, Chapter 270, Section 6 – Tobacco Sales to Minors “Whoever sells a cigarette, chewing tobacco, snuff or any tobacco in any of its forms to any person under the age of eighteen or, not being a parent or guardian, gives a cigarette, chewing tobacco, snuff or tobacco in any of its forms to any person under the age of eighteen shall be punished by a fine of not less than one hundred dollars for the first offense, not less than two hundred dollars for a second offense and not less than three hundred dollars for any third or subsequent offense.”

Important Notice to Retailers and Customers

Effective January 1, 2014, the age to purchase tobacco or nicotine delivery products in Canton is 21.

The Regulation of the Canton Board of Health restricting the age that individuals can purchase tobacco and nicotine delivery products, effective January 1, 2014, is stricter than the Massachusetts Law, MGL c

I understand that although Massachusetts law prohibits the sale of tobacco products to anyone under 18, Canton Board of Health Regulations prohibit the sale of tobacco products to anyone under 21, and therefore supersedes the Massachusetts law. I also understand that if I fail to follow store policy and local regulation about the sale of tobacco to minors I could lose my job or be fined.

I agree to the following rules about the sale of tobacco products:

- I will not sell any tobacco products, including cigarettes, cigars, chewing tobacco, electronic cigarettes, snuff, bidis or any other form of tobacco, to any person under the age of twenty-one (21).
If a person attempting to purchase a tobacco product looks to be under 27 years old, I will ask for a photo identification (I.D.). If there is any doubt about the persons' age, I will not make the sale.
I will not accept a note from an adult giving permission to a person under the age of twenty-one (21) to buy tobacco products.

In turn management supports my judgment not to make the sale in any of the cases described above.

Information and Instructions

Massachusetts General Laws chapter 152 requires all employers to provide workers' compensation for their employees. Pursuant to this statute, an *employee* is defined as "...every person in the service of another under any contract of hire, express or implied, oral or written."

An *employer* is defined as "an individual, partnership, association, corporation or other legal entity, or any two or more of the foregoing engaged in a joint enterprise, and including the legal representatives of a deceased employer, or the receiver or trustee of an individual, partnership, association or other legal entity, employing employees. However, the owner of a dwelling house having not more than three apartments and who resides therein, or the occupant of the dwelling house of another who employs persons to do maintenance, construction or repair work on such dwelling house or on the grounds or building appurtenant thereto shall not because of such employment be deemed to be an employer."

MGL chapter 152, §25C(6) also states that "every state or local licensing agency shall withhold the issuance or renewal of a license or permit to operate a business or to construct buildings in the commonwealth for any applicant who has not produced acceptable evidence of compliance with the insurance coverage required."

Additionally, MGL chapter 152, §25C(7) states "Neither the commonwealth nor any of its political subdivisions shall enter into any contract for the performance of public work until acceptable evidence of compliance with the insurance requirements of this chapter have been presented to the contracting authority."

Applicants

Please fill out the workers' compensation affidavit completely, by checking the boxes that apply to your situation and, if necessary, supply your insurance company's name, address and phone number along with a certificate of insurance. Limited Liability Companies (LLC) or Limited Liability Partnerships (LLP) with no employees other than the members or partners, are not required to carry workers' compensation insurance. If an LLC or LLP does have employees, a policy is required. Be advised that this affidavit may be submitted to the Department of Industrial Accidents for confirmation of insurance coverage. **Also be sure to sign and date the affidavit.** The affidavit should be returned to the city or town that the application for the permit or license is being requested, **not** the Department of Industrial Accidents. Should you have any questions regarding the law or if you are required to obtain a workers' compensation policy, please call the Department at the number listed below. Self-insured companies should enter their self-insurance license number on the appropriate line.

City or Town Officials

Please be sure that the affidavit is complete and printed legibly. The Department has provided a space at the bottom of the affidavit for you to fill out in the event the Office of Investigations has to contact you regarding the applicant. Please be sure to fill in the permit/license number which will be used as a reference number. In addition, an applicant that must submit multiple permit/license applications in any given year, need only submit one affidavit indicating current policy information (if necessary). A copy of the affidavit that has been officially stamped or marked by the city or town may be provided to the applicant as proof that a valid affidavit is on file for future permits or licenses. A new affidavit must be filled out each year. Where a home owner or citizen is obtaining a license or permit not related to any business or commercial venture (i.e. a dog license or permit to burn leaves etc.) said person is NOT required to complete this affidavit.
