Reimbursement Account Overview

A simple plan for ensuring your family's well-being

A flexible spending account (FSA) is one of the most valuable employee benefits your employer can offer you. It allows you to pay for qualified healthcare, dependent care and certain transportation expenses with pre-tax dollars.¹

How Does FlexChoice Work?

Participation in your FlexChoice plan is easy. You decide how much to contribute and to which accounts: Healthcare, Dependent Care or Transportation (if available). Contributions to your account(s) are made conveniently through payroll deduction on a pre-tax basis. When you incur an eligible expense, you may use one of the following methods to be reimbursed:

Benny Debit Card – The Benny Prepaid VISA makes it fast and convenient to access the money you have in your account. The Benny Card contains the value of your annual election and tracks it by account type – healthcare or dependent care. You can use the Benny Card to pay for qualified medical and dental expenses not covered by your insurance plan(s) or you can pay your childcare provider directly. You can also use it to pay for parking and transit expenses (refer to the transportation benefits at sentinelgroup.com). The Benny Card automatically deducts the cost of your eligible expenses from your account. Just swipe and go. It is that easy!

Online Claim Submission – If you do not have a Benny Debit Card or you are not able to use your Benny Card for a particular purchase, you may request reimbursement by using Sentinel's online system. Simply enter your claim online, attach your scanned receipts to your online request, and press "submit." That's it, you're done! Sentinel reimburses you every Friday and your payment can be automatically deposited into your bank account.

IMPORTANT INFORMATION YOU SHOULD KNOW ABOUT FLEXIBLE SPENDING ACCOUNT PLANS

Carefully estimate your FSA contributions as money not spent during the plan year is often forfeited. Some plans do allow for a carryover of up to \$500 of Healthcare funds, so please consult your Summary Plan Description for additional information on the carryover rules.

Only expenses incurred during the plan year are eligible for reimbursement from your account. (Some plans offer a 2 ½ month grace period that would allow you to submit claims incurred during the first 2 ½ months following the plan year to be included in the prior plan year's limit.)

You may only join a flexible spending account plan during your company's open enrollment period, when you first become eligible or experience a change in family status.

Once you elect to join the plan, you may not cancel or change your election during the plan year unless you have a change in family status.

If you are a partner or Sub-Chapter S shareholder employee, you may not participate in an FSA plan.

The maximum that you may contribute to the dependent care account is the lesser of \$5,000 per family or 100% of the lowest paid spouse's income.

The maximum that you may contribute to the healthcare account is limited by the IRS and/or your plan. Please refer to the Summary Plan Description or contact your Human Resources department.

To protect your privacy, your claim records are kept confidential by Sentinel Benefits.

¹ The amount that you save in taxes with a reimbursement account will vary depending on the amount you set aside in the account, your annual earnings, whether or not you pay Social Security taxes, the number of exemptions and deductions you claim on your tax return, your tax bracket and your state and local tax regulations. Check with your tax advisor for information on how participation will affect your tax savings.

² Always save receipts for qualified purchases made with the Benny Card. You may be asked to submit some receipts to verify that your expenses comply with IRS guidelines. Your receipt must show the merchant or provider name, service received or item purchased, date and amount of the expense.
