Amendments to the “Canton Board of Health Regulation of the
Sale of Tobacco and Nicotine Products”

On Thursday, November 7, 2019, the Canton Board of Health held a public hearing at Pequitside Farm at 79 Pleasant Street, Canton and passed an amended version of the Canton Board of Health “2019 Regulation of the Sale of Tobacco and Nicotine Products”.

A summary of the amendments to the Regulation include, but are not limited to; adding language that prohibits the sale of all forms of vaping and electronic cigarettes and associated paraphernalia for sale in Canton; reduces the 60-day window of opportunity to 30 days that allows a business with a Tobacco Sales Permit to be transferred or sold giving the new owner or manager the ability to obtain another Tobacco Sales permit; defines the term “Going out of Business” for the purpose of the Regulation; redefines and prohibits all flavors from tobacco and nicotine product sales. Minor language clarifications were also voted to be included.

Anyone interested in obtaining a full copy of the new “2019 Regulation of the Sale of Tobacco and Nicotine Products” may do so from the Town Clerk or Board of Health offices.”
