

Luce School Playground Replacement

Applicant: School Department
Project Cost: \$283,838
CPA Funding Requested: \$270,322

- ❖ The large (4,500 ft²) upper playground at the Luce School was prioritized in the 2019 Outdoor Recreational Facilities Needs Assessment & Master Plan.
- ❖ This playground has several elements that have been closed or removed for safety reasons; replacement parts for these structures are not available due to their age.
- ❖ The estimated cost of a new playground is approximately \$284K. Poured-in-place surfacing, which will allow for improved accessibility, represents nearly 25% of the cost.
- ❖ The School Department has committed to covering any expenses that exceed the \$270,322 requested from CPA.
